
Sanjay Rajasekaran
Senior Manager – Group Safety & Health
Tata Business Excellence Group

Sanjay Rajasekaran is a Senior Manager with the Group Safety & Health at Tata Business Excellence Group. In this role, Sanjay assists various Tata group companies in the journey of Safety Excellence. He plays an integral part in building capabilities and carrying out various improvement assignments in the area of safety for Tata companies.

Prior to his current role, Sanjay was with Tata Motors as Manager – SHE & Sustainability, where he was responsible for Sustainability Reporting & Business Responsibility reporting. He was also assisting in driving safety initiatives across factories, dealerships & offices with the aim of enhancing the Safety culture and performance in these areas.

Sanjay holds a Bachelor of Electrical & Electronics Engineering from Anna University and a Post Graduate Diploma in Industrial Safety & Environmental Management from National Institute of Industrial Engineering (NITIE), Mumbai.

Sanjay is also an IRCA certified Lead Auditor for OHSAS 18001 and Indian Green Building Council Accredited Professional.
