

Customer Testimonials

“TBExG has been of tremendous support in conducting the war games. They integrated and worked closely with our teams by providing constant guidance and continuous follow ups. Their contributions, right from the identification of the SME to conduct the exercise and regular coordination to ensure flawless execution is highly appreciated.”

K. G. Prasad

Head of Sales & Marketing, SCV Cargo & Pickups, Tata Motors

“The TBExG team did an assignment with us around our customer promise. What impressed us most was their ability to show us unique examples of excellence in relevant but not so well known companies around the world. The team’s affable approach and way of working put our employees at ease which in turn ensured high engagement and impact. Was a pleasure to work with them.”
